  - **2 possible ways of viewing:** 1) On the upper left side of the home page, there is a “FIND YOUR PHOTOS” search box. Enter NLBRA or NLBRA of MI in the “Name” box. This will bring up all the photo catalogs for NLBRA. 2) On the left side of the home page is a list of the most recent photo catalogs added. At the bottom of this list is a “SHOW ALL” button. Click this to see the complete catalog list.
  - When you click on a photo catalog, it will direct you to an advertisement page (Cheryl has no control over that, it is the way the vendor has the website set up). At the bottom of the page are two buttons, “LOG IN” or “CONTINUE.” If you are a registered customer you may log in at that time, however, you do not need to be registered to view photos. Clicking “CONTINUE” will take you to the photo groups within that catalog as well. Once you select a photo group (listed by event), it will direct you to a page of thumbnails for all the photos within that group. Depending on your internet connection, this page may take a moment to load. From there you can view larger versions of the images and order by clicking on them.

- The website can only handle orders by credit card. All orders are direct shipped to you within 7-10 business days. If you wish to order photos by cash or check please email Cheryl at [rsrodeo@yahoo.com](mailto:rsrodeo@yahoo.com), or click “CONTACT US” located across the top of the website, for more information
